GET STARTED WITH DIGIBOXX

...IF YOU'D LIKE TO SECURE YOUR DATA

INNOVATIVE APPROACH IN SEARCH OF THE PERFECT SOLUTION

UNCOMPROMISING SECURITY

DigiBoxx securely stores data abiding by Indian government's Data Policies. Our customers' data is stored in completely secure and compliant data centres across India. Assets stored on Digiboxx never leave the shores of the country.

AVAILABLE IN 9 LANGUAGES

Hindi, Bangla, Oriya, Marathi, Tamil, Telugu, Malayalam, Kannada and English.

ACCESS & FEATURES

Files can be accessed from anywhere on any device like laptops, desktops, tablets, mobiles, IOT controlled media devices, set top boxes etc. Team categorisation and data management through access/privilege/rights control, using filters like metadata & name search, advanced file tagging and commenting are possible.

USER-FRIENDLY INTERFACE

Simple and easy to use interface. It does not need any prior training.

EXCLUSIVE FEATURE

SHARE EASY. COLLABORATE FASTER.
Instashare - Send any files up to 2GB for FREE.

ALL FILES AND FORMATS

Any number of files and any formats can be uploaded and shared within and outside your team.

WE HELP YOU

**SECURE ALL
YOUR DATA**

UPLOAD AND CONSOLIDATE

with this trusted platform!

ON-DEMAND, REAL-TIME ACCESS AND EDITING

Update digital assets on-the-move from your mobile or laptop, even when you're on the way to a meeting.

APPLY METADATA SMARTLY FOR EASY SEARCH

Allow your team to make advanced searches in the blink of an eye so they can find critical content & get to work instantly.

UPLOAD MULTIPLE FILE FORMATS AND SIZES

DigiBoxx supports images, video, audio, documents, presentations and much more in any format & size you choose.

ORGANISE ASSETS FOR SIMPLE WORKFLOW

Partition assets into sections, create labels, keep important assets at the top and use filters.

EASY CROSS FUNCTIONAL & EXTERNAL SHARING

Not just your internal teams, assets can be shared even with clients. Collaboration is secure.

COMPLETELY SECURE AND PROTECTED APPROVAL SYSTEM

Keep one or maximum two administrators to approve assets before you make them available to the world.

**INDIA'S FIRST
CLOUD STORAGE PLATFORM
THAT STORES IN INDIA**

CREATE AND COLLABORATE

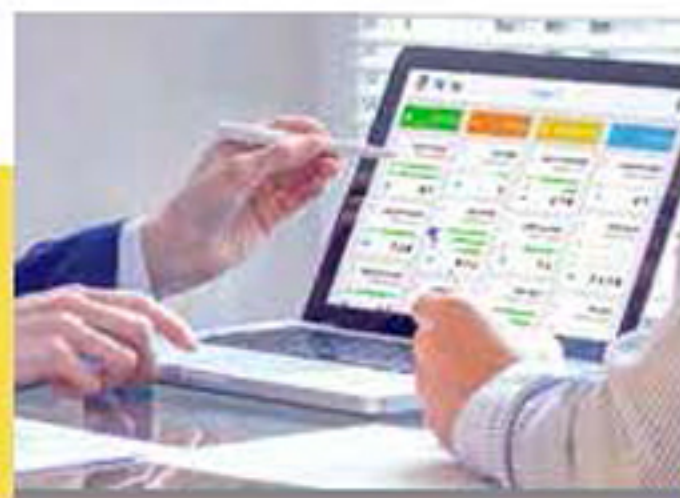

efficiently and stress-free

CUSTOMISE YOUR BRAND MANAGEMENT PLATFORM

Collaboration becomes easier when your DigiBoxx looks like a part of your brand universe. Incorporate it into your brand website/page.

CREATE MULTIPLE CUSTOM WORKFLOWS FOR MULTIPLE BRANDS

Know what jobs have been assigned to whom, which ones are completed and which are overdue with easy-to-follow workflows.

TRACK BRAND ASSET PERFORMANCE & REPORTS

Get 100% control over every activity from your admin console. And also track assets and analyse their performance.

KEEP YOUR MARKETING IP SECURE

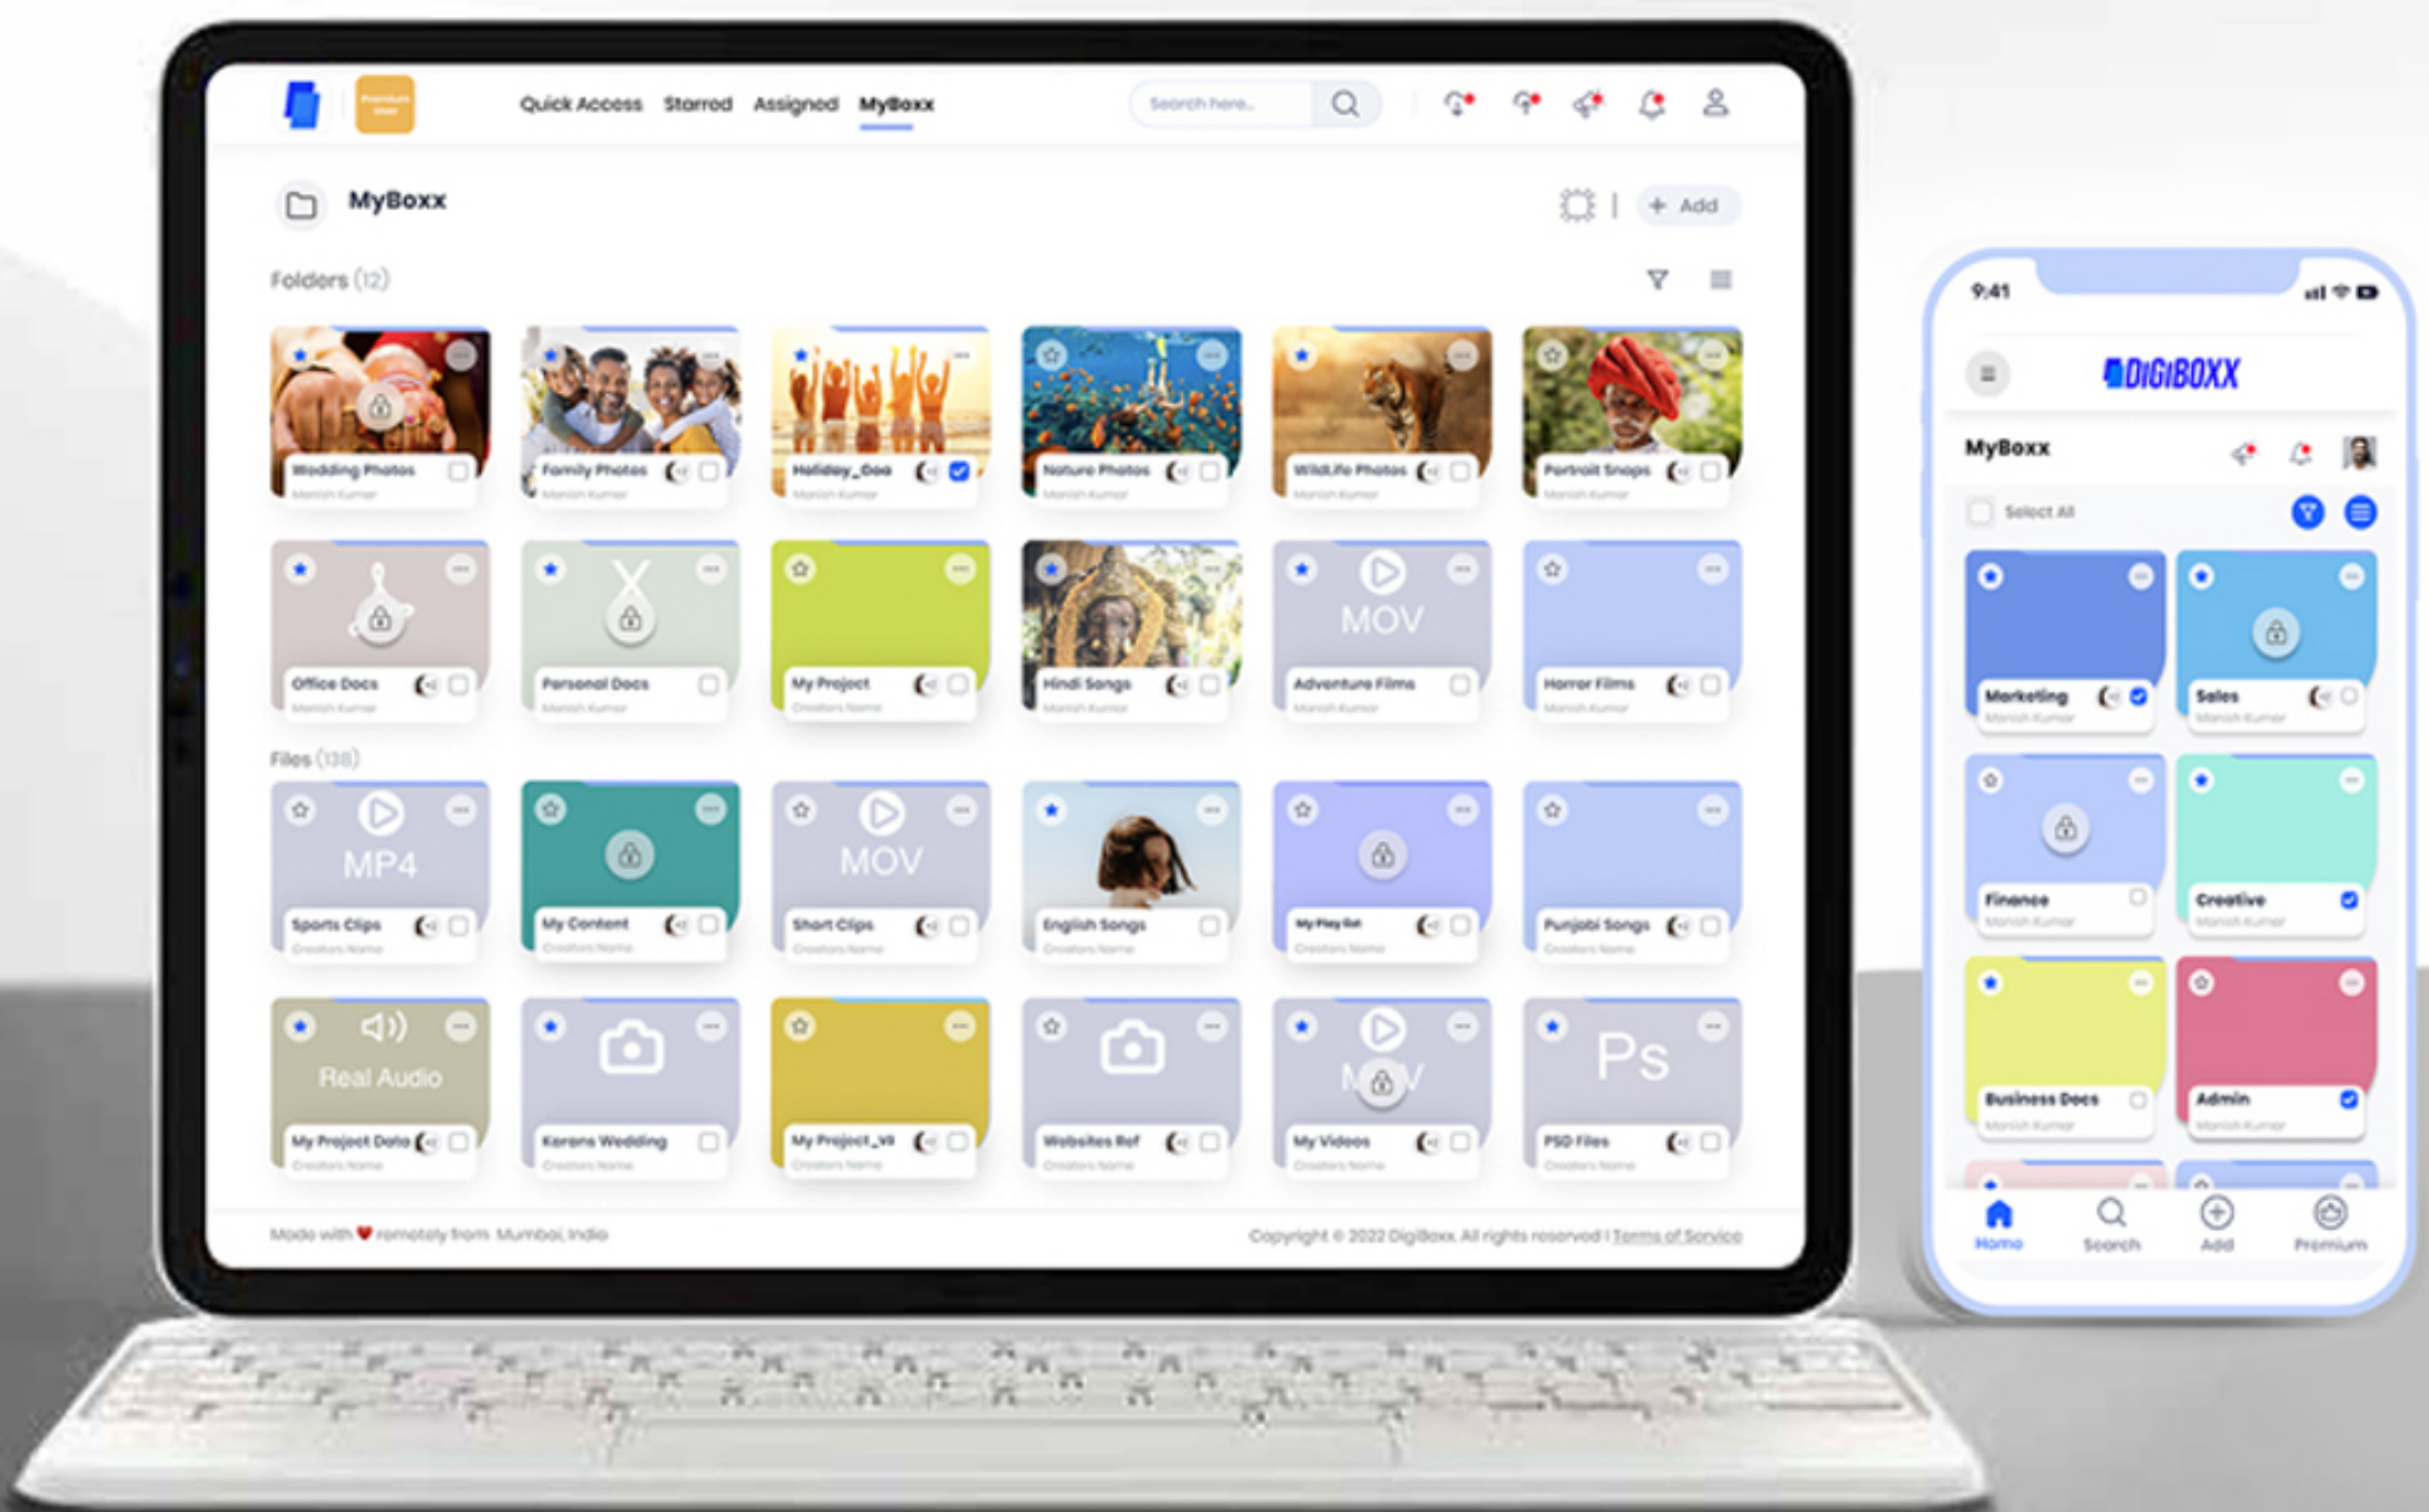

Add watermarks to confidential files or choose from several permission options so only the right people see the right asset.
